Jessie grew up dancing on the Central Coast NSW before training and studying dance full-time at leading dance studios in Sydney, London and New York. After her time training, Jessie realised her passion was teaching others. So her goal was to create an inclusive studio that was accessible and affordable for all. This is where JB Dance was created. In 2009 Jessie's dream had come true and she was able to teach young dancers and give them confidence in dance and enable them to reach their full potential. JB Dance has multiple locations all over the Central Coast, teaching, encouraging and rewarding dancers of all ages with classes catering for beginners to the Elite Dancer. JB Dance is proud of the positive impact achieved over the last 15 years and is still just as inspired to equip the next generation of dancers - whatever your child's reason for dance, we have a class that caters for them.

Have fun, make friends, be supported and grow confidence with JB Dance!

Jelly Beans Program

Jelly Bean Dance Combo Class

In our Jelly Beans classes, your little dancers will embark on a delightful journey through Jazz, Tap & Ballet. No need to worry about tap shoes – we provide them each class; just bring your own socks. Ballet shoes are recommended for purchase.

Ballet : Discover the art of ballet with lessons in foot and arm positioning, cross-floor exercises, and the joy of graceful movement. Using charming props and enchanting music, we lay the foundation for coordination, balance, and correct body posture.

Tap : Tap into rhythm, musicality, and mental agility! Tap classes challenge Jelly Beans physically and mentally, fostering a keen sense of technique.

Jazz: Jazz dance introduces a world of style, expression, and funky fun. It's the perfect gateway to dance, helping Jelly Beans develop technique, strength, and easy-to-follow combinations.

Our Jelly Beans Program is for ages 18 months to Primary School readiness! 🎉 Our classes are thoughtfully crafted for tiny dancers, ensuring a nurturing environment. With limited class sizes, each child receives personal attention, fostering confidence and a love for dance.

Expect creative, age-appropriate activities, imaginative play, and fun props that enhance coordination and rhythm.

Our program focuses on holistic development, making dance a joyful journey for your little one.

Jelly Bean Acrobatics

Our exciting 30-minute Acrobatics class tailored for the energetic Jelly Beans aged 18 months to 5 years!

What to Expect: Non-stop action and loads of fun as your little ones delve into strength-building, flexibility, and control exercises. This class is perfect for Jelly Beans seeking an extra challenge, in a safe environment!

Skill Focus: Our Jelly Beans will master on-stage tricks like forward rolls, handstands, cartwheels, and handstands to bridge, building both physical and mental ability.

Performance Opportunities: Watch your child shine! This class proudly showcases an enchanting Acrobatics routine in both our Mid-Year and End-of-Year Shows.

Recreational Program

Our Recreational Program offers a diverse array of dance styles for your dancer to explore.

Technique Classes: At JB Dance, our emphasis is on developing well-rounded dancers through a focus on technique. We follow a syllabus encompassing Jazz, Hip-Hop, Contemporary, Ballet, and Acrobatics. During technique classes, students acquire essential skills and movements, integrating them into their Concert Classes.

Concert Classes: In these sessions, students learn choreographed dance routines for performances at our Mid-Year and End-of-Year Concerts. Enrollment in a Technique Class is a prerequisite for Concert Classes, except when no Technique Class is available before the session. There are associated costume fees apply to all "Concert" classes for the end-of-year shows.

JB Dance Club

We understand the hustle and bustle of daily life, especially for those juggling multiple activities and constantly on the go.

That's why we're excited to bring the world of JB Dance directly to your school!

Dance Club is a dynamic 2-hour program directly at your local school. Throughout the year, dancers will receive comprehensive training in Acrobatics, Jazz, Contemporary and Hip Hop. This holistic program is designed to enhance your child's skills across all dance styles, with a specific focus on flexibility, turns, leaps, and jumps!

In term 1 & 2, dancers will immerse themselves in learning Jazz & Acrobatics Choreography to perform at our Mid-Year Show wearing their JB Dance Uniforms. In term 3 & 4 Dancers will embark learning a Hip-hop and Lyrical routine, which will be presented in costume at our End-of-Year Concert.

Class Conduct

At JB Dance we treat you as family, not as a number, and we love building relationships with our students and parents.

However, we have put a few rules in place in order for your child to get the most out of their JB Dance experience.

- At JB Dance we strive to help your child become the best dancer she or he can be – after years of training open classes, we have found that a child is able to learn best in a quiet and distraction-free environment, and so, with the exception of our Jelly Beans classes, parents are not allowed to stay in and watch during classes.
- If students arrive before their class has started, they must be quiet and respectful and wait outside until their class is called.
- If you have any questions or concerns regarding your child's fees, newsletters, events and so on, please call our office during the hours of 9:00am – 6pm Monday – Friday on 0401 473 457 or email info@jbdance.com.au. Our dance teachers are not in a position to discuss your child's account.
