Vouchers will be applied to your account once they have been redeemed via Service NSW. This can take up to 14 days. You will be notified via email when this has been completed.

Billing & Payments

Fees will be billed to your DanceStudio Pro (DSP) account on a monthly basis on the 1st day of every month for the full month in advance. You will be billed for the actual number of classes that will be held in the upcoming month. For example, if your student dances on a Wednesday, and there are 4 Wednesdays in the month, you will be charged for 4 weeks of classes. If there are 5 Wednesdays in the month, you will be charged for 5 weeks of classes for that month. You will only be charged for the classes held each month, i.e. if there is a Public Holiday or School Holidays in the month you will not be charged for these classes.

Please note that Jelly Beans Monday - Friday morning classes continue to run throughout school holidays. (that is, Saturday Jelly Bean classes, and afternoon Jelly Bean classes do not run through school holidays)

All families must enroll in Autopay via their parent portal. Autopay is the direct debit system managed by our payment partner Ezidebit. Fees will be collected via direct debit on the 1st business day of each month. Please note, if you do not wish to enroll in Autopay, you must advise our team, and fees for each term must be paid in full in advance prior to the start of each term.

When you enroll on any day after the 1st of the month you will be charged pro rata fees for enrolled classes until the subsequent 1st of the month; from which date you will be charged on the regular monthly basis.

All fees are to be paid in advance. Our teachers have an up-to-date roll with them at all times and if fees are not paid, and no payment arrangement is in place, your child will not be able to participate in the class.

If your account has an outstanding balance by the 15th day of the month a late fee of \$15 will be added to your account.

Your statement can be viewed at any time in our JB Dance Parent Portal, found [here](#).

Ezidebit Fees

Please note that Ezidebit charges a fee when deducting money from your account:-

Bank Account	\$0.88 per transaction
Visa/Mastercard	1.87% of the transaction value
Amex	2.7% of the transaction value
Failed Payment Fee	\$4.40

Failed Payments

If your direct debit fails for any reason, you will receive notification from Ezidebit, as well as an email from us, advising when we will re-attempt to process the payment, which will usually be 1 business day after we receive notification of the failed payment. If a payment fails for 3 consecutive times, you will be required to pay the outstanding balance for that term in full within seven (7) days.

Make-Up Classes

As all of our classes are learning different routines and working towards a Mid- Year or End of Year show, it is not practical to join in on another class for a makeup lesson.

Late Pick-up Fees

Whilst we understand that sometimes circumstances arise whereby you may be late to collect your child after dance class, as we will need to pay our staff extra, we will have to charge a late pick-up fee for any collections later than 15 minutes after the scheduled end time for that class. The fee will be \$20 per 15-minute block if you are late. Please ensure you contact the office if you are running late to pick up your children.

Continuity of Enrolment

All students will be automatically re-enrolled into their classes for the following year, unless we are notified otherwise by email, prior to 25th January each year. If your dancer needs to move up an age group, our office will notify you by email of these changes in early January.

Cancellation Policy

If for some reason your child cannot continue dancing, we can cancel their enrollment. We do however require a cancellation form to be completed. This can be acquired by phoning or emailing the office. We do require a minimum of four (4) weeks notice for all cancellations, and your account will be amended to include this notice. If we do not receive a cancellation form, fees will continue to be deducted by Ezidebit and no refunds will be given.
