READY SET DANCE

About Ready Set Dance

Ready Set Dance combines Jazz, Tap, Hip Hop, Singing, & Music into one fun and engaging class (Tap shoes are provided—just bring socks!).

Ready Set Dance is an award-winning preschool program that brings movement, music, and fun to life. Each class is a new adventure, filled with original songs, colorful props, and high-energy activities designed to engage young dancers.

The program helps children build confidence, express themselves, and develop key skills in coordination, creativity, balance, rhythm, and teamwork—all while supporting school readiness. It's an inclusive and welcoming space for children who love to move, explore, and have fun.

Plus, with performance opportunities at the Mid-Year and End-of-Year Shows, your little dancer gets to shine on stage. We're thrilled to offer this dynamic program and can't wait to see the joy and growth it brings to our youngest dancers.

In dance combo classes, children explore graceful ballet movements with props and music that build balance, posture, and coordination, develop rhythm and musicality through exciting tap routines, and discover style, expression, and fun jazz combinations that strengthen technique and a love for movement.

Our 30-minute acrobatics classes are action-packed, focusing on strength, flexibility, and control while learning skills like forward rolls, cartwheels, handstands, and bridges. CONCERT INFORMATION

At JB Dance, we're passionate about giving every student the chance to showcase their skills. That's why we organise a Mid-Year Concert at the end of Term 2 and an End-of-Year Concert to celebrate the end of the year!

Each class learns new routines for both the Mid-Year Concert and our End-of-Year Concert! It's a fantastic opportunity for our talented dancers to shine on stage and share their progress with friends and family! All students will also take part in our Theatre Rehearsal at The Art House, Wyong. This is an essential part of the concert experience. Rehearsing in the actual performance space helps dancers understand the stage layout, lighting, spacing, and entrances—so they feel confident, safe, and ready to perform at their best.

Please note: this rehearsal takes place during school hours, and students may need to leave school early on this one date. We truly appreciate your support, as this rehearsal makes a huge difference in the dancers' on-stage success and overall experience.

CLASS CONDUCT

At JB Dance we treat you as family, not as a number, and we love building relationships with our students and parents. However, we have put a few rules in place in order for your child to get the most out of their JB Dance experience.

If dancers arrive before their class has started, they must be quiet and respectful and wait until their class is called.

If you have any questions or concerns regarding your child's fees, newsletters, events and so on, please call our office during the hours of 10am – 2pm Tuesday, Wednesday & Thursday on 0401 473 457 or email info@jbdance.com.au.

A Message From Our Studio Founder

As the founder of JB Dance, I've always believed that every child deserves the chance to shine. Since 2009, it's been my mission to create a space where children of all ages and abilities can grow in confidence, express their creativity, and discover their passion for dance. What started as a small dream has grown into something truly special, with inclusive and affordable programs inspiring young dancers across the Central Coast.

At JB Dance, we welcome everyone—from beginners taking their first steps to elite dancers striving to reach new heights. Our classes offer a variety of styles, including jazz, hip hop, ballet, contemporary, lyrical, acrobatics, musical theatre, and tap. For our littlest stars, we're proud to offer Ready Set Dance and Jelly Beans, two incredible programs designed to build coordination, confidence, and creativity in preschoolers.

One of the things I'm most proud of is the community we've built. It's more than just a dance studio—it's a family. Our mid-year showcases, end-of-year concerts, and team opportunities not only create magical memories but also instil important life skills in our dancers. And with multiple locations and flexible schedules, we strive to make dance accessible for every family.

Whether your child dreams of performing on stage or simply wants to move, make friends, and have fun, JB Dance is here to support them every step of the way. I invite you to join our dance family and watch your child grow, thrive, and discover their limitless potential.
